

## Class Supply List ©

Class: **Refresher (Children's Creative Sewing Class)**

Instructor: Carolyn Rudy

### Overview

Purchase a sewing machine at Thread Play as a holiday gift for your special little person ages 8-18 and they'll receive FREE sewing instruction on their very own machine.

Here's how the program works:

- Purchase a sewing machine at least 2 weeks before a children's sewing class scheduled during this holiday season.
- Your child will use their very own, new sewing machine in class except they won't know it belongs to them yet
- After class, we will gift wrap the machine and have it ready for pickup
- You present the machine to the child on Christmas day and they will be ready to start using it immediately, eliminating the need for parents to read the instruction manual to get them started.
- We'll include one follow up class as a refresher for your child after Christmas.

### Bring to class
